Damage Prevention Associations

Damage Prevention Associations (DPA) are groups of representatives from local excavating companies, locating companies, municipalities and utility companies who meet on a regular basis to share information, receive training, network and problem solve. Below is

information for the current Damage Prevention Associations throughout the state.

If you would like to attend a meeting, but are unable to travel to a location below, you may access them remotely. *Participation is needed by the excavating community to keep DPAs viable.*

- To access remotely, call 248-724-5800 ID (827817)
- When available, visual aids may be viewed during the meeting with [JOIN.ME](https://www.join.me/) at <https://www.join.me/>
